I have been a hairstylist for 19 years. I currently use Matrix color, but can accommodate your preference.. I love to talk, but also to listen to your requests. Together, we will decide what works best based on your facial profile and hair texture. I do color, foil highlights, cuts, perms, shampoo and roller sets or blowdry, and facial waxing. I welcome your whole family to Maria's chair at Gloss Salon. My job is to deliver a pleasant experience to YOU!
